This handbook provides important information about United Junior High School. Students and parents should read this manual carefully and keep it as a reference. You are responsible for the material contained in this handbook. It has been structured to help promote student progress as well as an interest of modeling appropriate school behavior. In addition, this handbook provides for the psychological and physical safety of the students through appropriate rules and regulations. Disciplinary responses may include but are not limited to the actions described in this handbook.

## **I. GENERAL INFORMATION**

### **A. EQUAL EDUCATIONAL OPPORTUNITIES**

Equal educational opportunities shall be available for all students without regard to race, color, national origin, ancestry, sex, ethnicity, language barrier, religious beliefs, physical and mental handicap or disability, economic and social conditions, or actual or potential marital or parental status. Any student may file a discrimination grievance by using the Uniform Grievance Procedure, which can be found in Part VI-Q of this handbook.

#### **Sex Equity**

No student shall, on the basis of sex, be denied equal access to programs, activities, services or benefits, be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student may file a sex equity complaint by using the Uniform Grievance Procedure in Part VI-Q. A student may appeal the Board of Education's (School Board) resolution of the complaint to the Regional Superintendent of Schools and, thereafter, to the State Superintendent of Education.

#### **Constitutionally Protected Prayer**

UJHS will have no policy that prevents, limits, or otherwise denies participation in constitutionally protected prayer in public elementary and secondary schools.

### **B. SCHOOL CALENDAR AND SCHOOL DAY**

A complete school calendar is maintained in the Principal's office. All UJHS events first should be first approved by the Principal and then placed on the calendar well in advance.

The school day begins at 8:00 a.m. and ends at 3:10 p.m. Students are not to be in the building before 7:50 a.m. or after 3:30 p.m. unless specifically requested to stay and directly supervised by a staff member.

### **C. EMERGENCY SCHOOL CLOSINGS AND EARLY DISMISSAL**

Occasionally it may be necessary to cancel or dismiss school early due to inclement weather. A power failure, water system failure, or sewer failure may also necessitate an early dismissal of school. Families are encouraged to develop a plan in cases of early dismissals.

Notice of all emergency dismissals and cancellations will be broadcast over the local radio stations and on social media. When the weather is threatening, turn on your radio to either WMOI (97.7 FM), WRAM (1330 AM), WRMJ (102.3 FM) or TV Channel 8 for emergency dismissal times.

All practices and meetings for extracurricular activities are canceled on days when school is dismissed early due to inclement weather. Any cancellation of games will be decided on an individual basis and will be broadcast on all local radio stations. A practice or game may be played on the night of a day school was cancelled due to inclement weather at the discretion of the administration.

### **D. SCHOOL FEES**

Textbooks are rented for a fee set by the Board of Education.

UJHS will provide the required padlock for physical education (PE) lockers. At the end of the school year students will return their PE padlocks issued to them or pay a \$6.00 fee. Padlocks remain the property of UJHS and must be returned.

**E. WAIVER OF SCHOOL FEES**

You may be eligible for a waiver of student fees if you receive public aid; if your gross income is under that set out in the federal guidelines for free or reduced price lunches; or if you are otherwise able to establish that you cannot afford to pay these fees. Applications requesting waiver of fees should be submitted to the Superintendent. Forms for submission of such requests are available in the Superintendent's office. The use of false information to obtain such waiver is a felony under Illinois law. Any inquiries should be directed to the Superintendent.

**F. REFUND POLICY**

Refunds from the hot lunch program are issued at the end of the school year or when a student moves. No portion of the book rental fee is refunded to a student who moves during the school year.

**G. SCHOOL LUNCH PROGRAM**

UJHS operates a hot lunch program. See also section VI -I - "FREE AND REDUCED PRICE FOOD SERVICES".

**H. PESTICIDE APPLICATION**

The District periodically applies pesticides to maintain a pest-free school environment. If anyone wishes to be notified when pesticides are applied, please notify the Superintendent's office at (309) 734-9413.

**I. INSURANCE**

School accident insurance is available at no charge. When an accident occurs students should see the Superintendent or Principal to fill out a claim form. These forms are then sent home with the student for the parent/guardian and attending physician to complete and mail to the insurance company.

**J. SCHOOL VISITATION RIGHTS ACT**

The School Visitation Rights Act (SVRA) permits employed parents who are unable to meet educators due to a work conflict the right to an allotment of time during the school year to attend necessary educational or behavioral conferences at the school their student attends. Parent/guardian SVRA rights include the following:

1. Upon written request, employers must grant employees leave of up to eight hours per school year, not to exceed four hours in any given day, to attend their student's classroom activities or school conferences which cannot be scheduled during non-work hours.
2. For regularly scheduled, non-emergency visitations, the District will make time available for visitation during both regular school hours and evening hours.
3. The District will provide documentation to the parent/guardian of the time and date of each school visitation upon a parent/guardian's assertion of their rights under the SVRA.

**K. ESSA**

**Qualifications of Teachers and Paraprofessionals**

Upon parent/guardian request, the District will provide information regarding the professional qualifications of their student's classroom teachers, including, at a minimum, the following:

1. Whether the teacher has met State qualification and licensing criteria for the grade level(s) and subject area(s) in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher assigned and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
4. Whether the student is provided services by paraprofessionals and, if so, their qualifications.

**L. ASBESTOS POLICY**

The United School District has an asbestos management plan on file. The asbestos management plan includes periodic inspection by licensed inspectors. Any removal of material that may contain asbestos is conducted according to this plan and by Illinois trained removal employees. Each year, district employees are sent to refresher training in asbestos treatment and removal.

## **II. ELIGIBILITY TO ATTEND UJHS**

### **A. ADMISSION REQUIREMENTS**

All students must register for school each year on the dates and at the place designated by the Superintendent. Students must also meet residence requirements established by the School Board.

Additionally, parents/guardians of students enrolling in the District for the first time must present a certified copy of the student's birth certificate. The school shall promptly make a copy of the certified copy for its records, place the copy in the student's temporary record, and return the original to the person enrolling the child. Upon the failure of a person enrolling a student to provide a copy of the student's birth certificate, the Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case shall be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten-day period, the Principal shall so refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.

### **B. PREGNANCY**

A pregnant student will remain in regular attendance unless a medical doctor requests in writing that the student be placed on homebound instruction. She is expected to return to regular attendance one month following the birth of the child or at the discretion of the medical doctor.

### **C. TRANSFER STUDENTS**

To be admitted to UJHS a transferring student must produce proof of residence, a completed Student Transfer Form from the student's previous Illinois public school district, including information about whether or not the student is in good standing and his or her medical records are up to date and complete. A transfer student who has been suspended or expelled from any public or private school previously attended will not be allowed to attend class at UJHS until the suspension or expulsion has been completely served. Upon recommendation from the Superintendent, the School Board may allow the student to be considered for placement in an alternative school for the duration of the suspension or expulsion.

Any incoming student from a non-public school must provide proof of residence and information about prior school courses of instruction and grades received, as UJHS personnel may require.

Placement will be based upon the student's best interests in light of his or her performance on any necessary pre-admission achievement tests and any other factors which may appropriately be considered.

## **III. ATTENDANCE**

### **A. ATTENDANCE POLICY**

Whoever has custody or control of any child between the ages of seven and 17 years old shall cause such child to attend some public school in the district in which the child resides the entire time it is in session during the regular school year, unless they attend a non-public school meeting requirements of state law. Students are required to be in attendance each day UJHS is in session. The Principal will handle cases of chronic or habitual truancy in accordance with provisions of The School Code, including reporting such cases to the Regional Superintendent for possible prosecution and penalties.

### **B. REPORTING ABSENCES**

When a student is absent, the student's parent/guardian shall call the office the day of the absence, or send a note with the student upon the student's return to school to notify the office of the reason for the absence. Alternatively, the parent/guardian may call the office the day the student returns to school. An absence which is not reported in one of these ways will be counted as unexcused.

**C. EXCUSED ABSENCES**

Excused absences are those which occur with parent/guardian permission and/or prior administrative approval. Pre-arranged absences must be approved by the principal. Students will be given a full opportunity to make-up work (see below) missed due to an unforeseen excused absence. All work must be completed and turned in to the teacher for pre-arranged excused absences. Examples of excused absences include but are not limited to those which occur due to:

1. Illness
2. Death in family
3. School activities
4. Observance of a religious holiday
5. Emergencies beyond the control of the student as determined by the Principal
6. Family work emergencies
7. Family trips (with parents, grandparents, aunts/uncles or a post college-age sibling)
8. Other unavoidable family-related absences

**D. UNEXCUSED ABSENCES**

Unexcused absences are those which occur without parent/guardian permission and/or prior administrative approval. Students will not be given the opportunity to make-up work missed due to an unexcused absence, and disciplinary action may be taken. Examples of unexcused absences include but are not limited to:

1. Running errands
2. Lack of transportation due to vehicle repairs/problems
3. Oversleeping
4. Absence in excess of ten days without physician verification – see below
5. Family photos
6. Shopping
7. Hair appointments

**E. REQUIRED DOCTOR'S NOTE**

A doctor's note may be required after ten absences without physician verification from school. Where there is suspicion of contagious illness, the principal may require a doctor's permit for continued school attendance even though no absence is involved. Once a student has accumulated 5 absences from school for the year, the building principal will send a letter to the parents requiring a doctor/dentist note or 3<sup>rd</sup> party documentation for each absence from that date through the end of the school year. This note from the doctor or dentist's office must be on office stationary, stating the date and time the student was at his office.

**F. WORK, SPORTS AND ILLNESS**

Students who are absent without excuses or absent due to an illness may not attend or participate in extracurricular evening activities that occur on the same day. A student who is absent in the morning but who returns to school by 5<sup>th</sup> period may attend or participate in an extracurricular activity on the same day. Students must have 150 instructional minutes to count as a half day for eligibility.

**G. SIGNING IN AND OUT OF THE OFFICE**

Students who arrive after classes have begun or who leave before classes have finished for the day must sign in or out in the office immediately. The time and reason must be filled in accurately. Students who fail to report to the office will be assigned an unexcused tardy.

**H. TARDY POLICY**

Students are expected to arrive to school and to each class on time. Bus service is provided therefore failure to arrive on time due to transportation problems is not a valid excuse. A student is tardy when he/she is not in their assigned classroom at the time assigned for that class. After the fourth unexcused tardy during the quarter (cumulative), students will receive an office referral for each additional tardy.

#### **I. MAKE-UP WORK**

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

Teachers will provide make-up assignments and assist with make-up work for excused absences. Two days of make-up is given for each day of absence. All work must be completed and turned in to the teacher ahead of time for an approved absence. Whenever a student knows in advance that he/she will be missing school, the student must make prior arrangements with teachers for make-up work.

**In the event of a student suspension, students are required to turn in all missed work within 2 days of their return.**

### **IV. TRANSPORTATION**

#### **A. FREE TRANSPORTATION**

The District provides free transportation for any student in the District who resides: (1) at a distance of one and one-half miles or more from his or her assigned school, unless the School Board has certified to the Illinois State Board of Education that adequate public transportation is available, or (2) within one and one-half miles from his or her assigned school, if walking to school or to a pick-up point or bus stop would constitute a serious hazard due to vehicular traffic or rail crossing, and adequate public transportation is not available. A student's parent(s)/guardian(s) may file a petition with the School Board requesting transportation due to the existence of a serious safety hazard. Free transportation service and vehicle adaptation is provided for a special education student if included in the student's individualized educational program. Non-public school students shall be transported in accordance with State law. Homeless students shall be transported in accordance with the McKinney-Vento Homeless Assistance Act.

Bus schedules and routes shall be determined by the Superintendent or designee and shall be altered only with the Superintendent or designee's approval and direction. In fixing the routes, the pick-up and discharge points should be as safe and convenient for students as possible.

No school employee may transport students in school or private vehicles unless authorized by the administration.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Illinois Department of Transportation regulations. The strobe light on a school bus may be illuminated any time a bus is transporting one or more students. The Superintendent shall implement procedures in accordance with State law for accepting erratic driving reports.

#### **Post-Trip Vehicle Inspection**

The Superintendent or designee shall develop and implement a post-trip inspection procedure to ensure that the school bus driver is the last person leaving the bus and that no passenger is left behind or remains on the vehicle at the end of a route, work shift, or workday.

#### **B. SCHOOL BUS RULES**

It is the District's objective to provide safe bus transportation for students eligible to ride the school buses. Students are granted the privilege of riding the school bus with the understanding that this privilege can be revoked if the student does not behave appropriately while he/she is on the bus or at the bus stop. ## **V. ACADEMICS**

### **A. GRADING PROCEDURES**

Grading periods are approximately nine weeks in length. There are four nine-week periods per year.

Incomplete grades may be given. Incomplete grades must be made up by the last day of the semester except in cases of extreme illness or unusual circumstances. If the work is not made up in the specified time, an incomplete will be given for the course with no credit issued. Students will be given two days to complete make-up work for each day of absence. No credit will be given for work not made up on time. An incomplete grade counts as one F in computing eligibility except in cases of extreme illness or unusual circumstances.

**Report Cards**

Report cards are issued on a nine-week schedule or four times during the school year. Parents are encouraged to contact the school when student progress is unsatisfactory.

**Grading System**

**C. RETENTION POLICY**

A UJHS student may be considered for retention if the child passes fewer than four core subjects for the year (core subjects include reading, math, language arts, science, and social studies). The final decision concerning retention rests with the administration.

**D. PHYSICAL EDUCATION**

Students will participate in PE. Students are required to wear a gray shirt with black or red shorts, having at least a seven-inch inseam. PE uniforms will be available for purchase.

**E. ENGLISH LANGUAGE LEARNERS**

The District offers opportunities for resident English Language Learners to develop high levels of academic attainment in English and to meet the same academic content and student academic achievement standards that all students are expected to attain. The Superintendent or designee shall develop and maintain a program for English Language Learners that will:

1. Assist all English Language Learners to achieve English proficiency, facilitate effective communication in English, and encourage their full participation in school activities and programs as well as promote participation by their parent(s)/guardian(s).
2. Appropriately identify students with limited English-speaking ability.
3. Comply with state law regarding the Transitional Bilingual Educational Program and Transitional Program of Instruction.
4. Comply with any applicable state and federal requirements for the receipt of grant money for English Language Learners and programs to serve them.
5. Determine the appropriate instructional program and environment for English Language Learners.
6. Annually assess the English proficiency of English Language Learners and monitor their progress in order to determine their readiness for a mainstream classroom environment.

Parents/guardians of English Language Learners will be: (1) given an opportunity to provide input to the program, and (2) provided notification regarding their child's placement in, and information about, the District's English Language Learners programs.

## **VI. POLICIES AND PROCEDURES**

### **A. ACADEMIC DISHONESTY**

Cheating and plagiarism are not acceptable at UJHS. All students are expected to adhere to the highest standards of personal honesty in their work. Work that is presented for credit in all classes must be original.

Cheating is defined as using dishonest methods to gain an advantage. This includes any kind of secretive means of gaining information for use on quizzes, tests or homework.

Plagiarism is defined as the stealing and passing off of the ideas and words of another as one's own, using a created production without crediting the source, or committing literary theft. For example, turning in a paper retrieved from any Internet source (either free or for a fee) or including information from an encyclopedia, book, textbook, website, database, etc., without citation is plagiarism. A paper is considered plagiarized if *any* part of it is taken from another source without proper attribution (citations).

Classroom teachers will determine whether cheating or plagiarism violations have occurred. Students who are caught cheating or copying will receive a zero (0) on the suspect assignment/test. Repeat offenders will receive a zero (0) on the suspect assignment/test and may receive additional disciplinary action.

### **B. BULLYING/ HARASSMENT**

Bullying and harassment are detrimental to students and the educational process. Bullying/harassment includes any form of continual behavior that does physical, emotional, or psychological harm to someone else and/or urging others to engage in such conduct. Prohibited behavior may include, without limitation, the use of violence, force, noise, coercion, threats, intimidation, fear, bullying, name-calling, hazing or other comparable conduct.

#### **1. Sexual Harassment**

No person, including a District employee or agent, or student, shall harass or intimidate another student based upon a student's gender, color, race, religion, creed, ancestry, national origin, physical or mental disability, sexual orientation, or other protected group status. Also, no student, faculty or staff member should suffer such conduct. The District will not tolerate harassing or intimidating conduct, whether verbal, physical, or visual, that affects tangible benefits of education, that unreasonably interferes with a student's educational performance, or that creates an intimidating, hostile, or offensive educational environment. These may include but are not limited to:

- a. Physical action such as hitting, kicking, grabbing, spitting and bumping;
- b. Verbal action such as name-calling, derogatory slurs and noises;
- c. Wearing or possessing items depicting hatred or prejudice;
- d. Comments or conduct of a sexual nature; and
- e. Indirect action such as spreading rumors.

Students who observe or experience such conduct should report it to the Principal, school counselor, and/or any school employee. An investigation will be conducted followed by appropriate disciplinary action. Such disciplinary action may include counseling, detention, suspension or expulsion. Law enforcement authorities may be notified. It is important to note that harassment does not depend on the intent of the perpetrator, but on the perception of the victim.

## **2. Sexting**

Sexting involving United students is prohibited. The term “sexting” involves transmission of inappropriate photos or information over cell phones or computers. Anyone, regardless of age, sending nude pictures or video of a minor, can be charged with child pornography. If a person receives and keeps a nude picture or video of a minor, they can be charged with possession of child pornography. Sending nude photos or videos electronically by computer or cell phone or possessing naked images of a minor on a computer or cell phone is a felony offense. Any suspected violation of this policy will result in electronic equipment in question being confiscated and notification of law enforcement. If a student disables a phone to interfere with the investigation of an accusation involving cell phone use and refuses to restore it to working order, he/she will be charged with insubordination. The student will be suspended from school and school activities. Sexting or possession, distribution, and/or attempts to obtain pornography of any type on school property is prohibited.

## **3. Cyber Bullying**

Cyber bullying involving United students is prohibited because it disrupts the learning environment of the school. Cyber bullying is bullying through e-mail, instant messaging, chat room exchanges, or digital messages or images sent to a cell phone or personal digital assistant.

### **C. STUDENT USE OF ELECTRONIC DEVICES**

The use of electronic devices and other technology at school is a privilege, not a right. Students are prohibited from using electronic devices, except as provided herein. An electronic device includes, but is not limited to, the following: cell phone, smart phone, audio or video recording device, personal digital assistant (PDA), iPod, iPad, laptop computer, tablet computer or other similar electronic device. Pocket pagers and other paging devices are not allowed on school property at any time, except with the express permission of the building principal.

When students enter the building electronic devices must be kept powered-off and locked in your locker unless: (a) permission is granted by an administrator, teacher or school staff member; (b) use of the device is provided in a student’s individualized education program (IEP); or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

Electronic devices may never be used in any manner that disrupts the educational environment, violates student conduct rules or violates the rights of others. This includes, but is not limited to, the following: (1) using the device to take photographs in locker rooms or bathrooms; (2) cheating; and (3) creating, sending sharing, viewing, receiving, or possessing an indecent visual depiction or non-consensual dissemination of private sexual images (i.e., sexting).

Students in violation of this procedure are subject to the following consequences:

1. **First offense**-the device will be confiscated by school personnel. A verbal warning will be assigned. The student will receive the device back at the end of the day in the school office.
2. **Second offense**-The device will be confiscated. A detention will be assigned. The student’s parent/guardian will be notified and required to pick up the device in the school office.
3. **Third offense**-The device will be confiscated. A detention will be assigned. The student’s parent/guardian will be notified and required to pick up the device in the office. Additionally, the student will be prohibited from bringing the device to school for the next 10 school days. If the student is found in possession of the device during this 10-day period, the student will be prohibited from bringing the device to school for the remainder of the school year. The student will also face consequences for insubordination.

4. **Fourth and subsequent offense**-The device will be confiscated. The student will be assigned a detention and will be prohibited from bringing the device to school for the remainder of the school year. The student's parent/guardian will be notified and required to pick up the device in the school office. The student will also face consequences for insubordination.

School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

#### **D. CONDUCT ON DISTRICT PROPERTY AND AT SCHOOL-RELATED EVENTS**

Students are to conduct themselves in an appropriate manner at all times while at school and school-related events. They should not scuffle in the building, loiter in the restrooms, run in the halls, or throw paper on the floors. Consequences for improper behavior will be according to School Board policy, the UJHS disciplinary code, or at the discretion of the Principal.

1. Students are never to be in the halls without a pass or direct supervision.
2. Students must be in their classroom when the bell rings each period.
3. **Students are responsible for personal items such as money, clothes, purses, etc. Use your hall and gym lockers and keep them locked.**

### **G. EDUCATION OF HOMELESS STUDENTS**

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, as provided to other children and youths, including a public pre-school education. A "homeless child" is defined as provided in the McKinney Homeless Assistance Act and State law. The Superintendent shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation.

A homeless child may attend the District school that the child attended when permanently housed, or in which the child was last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless Children shall, after the passage of 18 months and annually thereafter, in accordance with State law, conduct a review as to whether such hardship continues to exist.

### **H. EDUCATION OF STUDENTS WITH DISABILITIES**

The District shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individuals with Disabilities Education Act (IDEA) and federal at state implementing regulations, provisions of The School Code, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. The term "children with disabilities," as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined that special education services are needed, in accordance with procedures described in the Illinois State Board of Education's *Special Education* rules. Behavioral intervention procedures for students with disabilities are available upon request.

It is the intent of the District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated, and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA.

For students eligible for services under IDEA, the District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided in the Illinois State Board of Education's *Special Education* rules. The District shall establish and implement a system of procedural safeguards for those students who are not eligible for services under IDEA, but, because of disability as defined by Section 504 of the Rehabilitation Act of 1973, need or are believed to need special instruction or related services. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parent(s)/guardian(s) to examine relevant records, an impartial hearing with opportunity for participation by the student's parent(s)/guardian(s), representation by counsel, and a review procedure.

The District may maintain membership in one or more cooperative associations of school districts that shall assist the District in fulfilling its obligations to the District's students with disabilities. If necessary, students may also be placed in nonpublic special education programs or education facilities.

## **I. FREE AND REDUCED PRICE FOOD SERVICES**

The Superintendent shall be responsible for implementing the District's free and reduced-price food services policy and all applicable programs.

### **Eligibility Criteria and Selection of Children**

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines and, family-size income standards, set annually by the U.S. Department of Agriculture and distributed by the Illinois State Board of Education.

### **Notification**

At the beginning of each school year the District shall by letter notify students and their parents/guardians of: (1) eligibility requirements for free and reduced-price food service; (2) the application process; (3) the name and telephone number of a contact person for the program; and (4) other information required by federal law. The Superintendent shall provide the same information to: (1) informational media, the local unemployment office, and any major area employers contemplating layoffs; and (2) the District's website (if applicable), all school newsletters, or students' registration materials. Parents/guardians enrolling a child in the District for the first time, any time during the school year, shall receive the eligibility information.

### **Nondiscrimination Assurance**

The District shall avoid publicly identifying students receiving free or reduced-price meals and shall use methods for collecting meal payments that prevent identification of children receiving assistance.

### **Appeal**

A family may appeal the District's decision to deny an application for free and reduced-price food services or to terminate such services as outlined by the U.S. Department of Agriculture in 7 C.F.R. 245.7, Determining Eligibility for Free and Reduced-Price Meals and Free Milk in Schools. The Superintendent shall establish a hearing procedure for adverse eligibility decisions and provide a copy of them by mail to the family. The District may also use these procedures to challenge a child's continued eligibility for free or reduced-price meals or milk.

During an appeal, students previously receiving food service benefits shall not have their benefits terminated. Students who were denied benefits shall not receive benefits during the appeal.

The Superintendent shall keep on file for a period of three years a record of any appeals made and the hearing record. The District shall also maintain accurate and complete records showing the data and method used to determine the number of eligible students served free and reduced-price food services. These records shall be maintained for three years.

## **J. INTERNET AND NETWORK ACCESS POLICY**

UJHS has the ability to enhance students' education through the use of electronic networks, including the Internet. The goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication. The District's technology system is not a public forum.

With this educational opportunity also comes responsibility. The District takes precautions to prevent access to materials that may be defamatory, inaccurate, offensive or otherwise inappropriate in the school setting. Ultimately, parents/guardians are responsible for setting and conveying standards that their student should follow. All use of electronic networks shall be consistent with the District's goal of promoting educational excellence. These procedures do not attempt to state all required or prescribed behavior by users, and merely serve as guidelines.

The District monitors use of its technology system in order to enforce compliance with this policy. Users have no privacy interest in the communications they send and receive by means of the District's technology system.

The failure of any user to follow these procedures will result in the loss of privileges, disciplinary action, and/or notification of law enforcement authorities or legal action in appropriate cases.

Each District computer with Internet access has a filtering device that blocks entry to visual depictions that are 1) obscene, 2) pornographic, or 3) harmful or inappropriate for students. The system administration and building principal monitor student Internet access.

### **K. LUNCHROOM RULES**

All students in the District must comply with the following lunchroom rules which are strongly enforced in all buildings:

- Enter the lunchroom in a quiet, orderly manner.

- Follow all adult directions in the lunchroom.
- Remain in your seat unless given permission to get up.

- No student will be allowed to return to the classroom unescorted during the lunch period.

All staff are authorized to give consequences determined by the Principal when the above behavior guidelines are not followed.

**L. PROTECTION OF SCHOOL PERSONNEL**

The School Board authorizes school administrators to suspend or expel, depending upon the severity of the act, any District student who vandalizes personal property of school personnel at any time during the school year.

The School Board further authorizes the school administrators to recommend expulsion of any District student who engages in acts of physical violence against any school staff member at any time or place during the school year.

**M. RECIPROCAL REPORTING PROCEDURES**

To promote the safety and security of District staff, students, and school property, the School Board has authorized intergovernmental agreements with the following jurisdictions for reciprocal reporting between the District and the respective local law enforcement authorities regarding criminal offenses committed by students:

- Warren County Law Enforcement Agency
- Mercer County Law Enforcement Agency
- Monmouth, IL, Police Department
- Alexis, IL, Police Department
- Illinois State Police

**SEARCH SEIZURE AND INTERVIEWS OF STUDENTS BY SCHOOL AUTHORITIES**

**Search and Seizure**

Students have legitimate expectations of privacy in their persons and in personal possessions they bring to school. However, because the school has a legitimate need to maintain an environment conducive to learning, school officials do not need a warrant before conducting a search or seizure. To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other District property and equipment owned or controlled by the school, without notice to or the consent of the student, and without a search warrant when there is a reasonable suspicion that it will produce evidence of violation of the law or District rules. Where “outside” police officers initiate the search or seizure of a student for investigative purposes, probable cause and warrant requirements will be applied.

If a search conducted in accordance with this Section produces evidence that the student has violated or is violating the law, a local ordinance, or the District’s policies or rules, such evidence may be seized by school authorities and disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities. If a search is made and illegal items are found in a student’s locker, vehicle or personal effects, the student must take full responsibility.

## **Interviews**

Although school authorities are charged with maintaining order and discipline in their schools, they are generally not acting as law enforcement agents and thus, are not required to administer *Miranda* warnings before questioning students. Where school authorities are not acting under the direction of the police, *Miranda* does not apply. When acting under the direction of the police, school authorities are required to obtain a parent's or guardian's permission before questioning a student and *Miranda* requirements may apply. When *Miranda* requirements do apply, law enforcement agents will administer the *Miranda* warnings.

Where acting on their own initiative and authority to further a proper educational environment at the school or at the request of school personnel (as opposed to acting upon the request of outside law enforcement authorities), school authorities who are investigating a school related incident or any incident which may have potential consequences for the safety of the students or employees at the school may interview students without obtaining permission from parents/guardians. Examples of incidents which may have potential consequences for the safety of students or employees at the school include, but are not limited to, the following:

1. Fights between students that may result in retaliation at school;
2. Threats made by a student against another student or employee at the school;
3. Gang related offenses such as assault, battery, and intimidation;
4. Possessing drugs or weapons while on school property.

## **N. INTERVIEWS OF STUDENTS BY LAW ENFORCEMENT AUTHORITIES**

### **Interviews About School-Related Incidents**

When a law enforcement authority seeks or is requested by school officials to interview a student at school about a school-related incident for law enforcement purposes, the following procedures shall apply:

1. The law enforcement agent shall upon arrival at the school contact the building principal or other designated school official, identify or confirm the student sought to be interviewed, and identify or confirm the reason(s) for the interview.
2. Unless the school has initiated the request for the interview, the school official shall make a written record of the law enforcement agent's request, including presentation of any legal process such as subpoenas or warrants.
3. The school official shall verify the identity of the law enforcement agent, if not known by the school official, by checking and photocopying the agent's picture identification card, unless the authority is in uniform.
4. When law enforcement authorities seek to interview a student, the school official shall, before allowing the law enforcement agent to interview the student, attempt to contact and obtain permission of the student's parent or guardian unless extenuating circumstances dictate that this not be done. Extenuating circumstances exist when, for example:
  - a. There is a risk that delay in proceeding with the interview may pose imminent danger to the health or safety of students, school employees, or other persons in the community.
  - b. The student's parent or parents are suspected of serious criminal activity or of co-involvement with the student in criminal activity.
  - c. Law enforcement authorities need to act promptly to prevent destruction of evidence of a serious crime, or flight from the jurisdiction by a person suspected of serious criminal activity.
5. All attempts to contact a student's parent(s)/guardian(s) will be documented.
6. If the student refuses to speak to law enforcement authorities, the interview may not proceed on school grounds.
7. If the parent/guardian conditions consent on being present, then absent exigent circumstances, the interview should be delayed until the parent/guardian arrives.
8. Absent an emergency or circumstances justifying other action, all interviews of students should be conducted in private, to avoid disrupting school, protect the student's privacy, and preserve the integrity of the investigation.
9. If the school official determines it is appropriate for law enforcement authorities to interview the student at school without the presence of a parent/guardian, the law enforcement agent must inform

- the student that if requested, the school official may remain in the room with the law enforcement agent and the student during the interview. School officials will document and take notes of all interviews of students by a law enforcement agent held in their presence.
10. If a law enforcement agent requests to interview a student as a non-suspect witness to a school related incident that occurred on or off school property, the school official may, but is not required to, permit such an interview without prior notification or consent of the parent/guardian. Such an interview shall be conditioned upon the law enforcement agent agreeing to notify the school official if the student becomes a suspect during the interview. Upon such notification, the school official will require that the interview cease and be conducted at the police department, or that it cease until notification and consent of a parent/guardian, unless extenuating circumstances exist.

### **Interviews About Non-School Related Matters**

Absent extenuating circumstances (e.g., preventing destruction of evidence of a serious crime or preventing flight from the jurisdiction by a student suspected of serious criminal activity), interrogation of students by law enforcement authorities about matters unrelated to school will generally be conducted away from school after school hours. If a law enforcement agent wants to interview a student at school about a non-school related matter, the procedures outlined in above regarding interviews about school-related incidents shall apply.

### **O. INTERVIEWS AND EXAMINATIONS OF STUDENTS BY DCFS**

School employees shall cooperate with the Illinois Department of Children and Family Services (DCFS) in identifying child abuse or neglect.

#### **Interviews**

If DCFS employees or local law enforcement authorities seek to interview at school a student suspected of being abused or neglected, they shall make a request to the Principal or to the principal's designee.

The District shall provide DCFS investigators and local law enforcement authorities reasonable access (without a court order) to a suspected victim of child abuse or neglect for the purpose of interviewing the student at school. The Principal or designee may insist upon his/her presence during the interview and condition the requested interview of the student at school on the Principal's or designee's presence during the interview.

An interview of the student at school shall be allowed upon presentation of a court order. If the interview takes place based upon a court order, the Principal or designee shall request a copy of the order. The presence of the Principal or designee at the in-school interview shall be at the discretion of the DCFS employee(s) or law enforcement authorities.

After the interview has been conducted, the Principal or designee may notify the parent/guardian when appropriate (generally when the parent/guardian is not the subject of the investigation), of the fact that an interview was conducted, but cannot disclose any information about the interview.

#### **Examinations**

If DCFS employees or law enforcement authorities seek to physically examine or photograph at school a student suspected of being abused or neglected, they shall make a request to the Principal or the principal's designee and inform him/her of DCFS's intent to secure photographs during the interview.

The Principal or designee may grant the request if he/she believes there is a reasonable explanation (without a court order) for conducting the examination at school. The Principal's decision as to whether or not to grant the request shall take into consideration the sex of the student and of the examiner; the age, maturity and sensitivities of the student, including the student's willingness to be examined and/or photographed; and the location of the trauma and its seriousness. The presence of the Principal or designee at the examination and photographing shall

be at the discretion of the DCFS or law enforcement agent. If the Principal or designee is present during the examination or photographing, they shall not participate in the examination or photographing of the student. Examination or photographing of the student at school shall be allowed upon presentation of a court order or administrative subpoena. The presence of the Principal or designee at the photographing or examination shall be at the discretion of the DCFS employee or law enforcement agent. If the Principal or designee is present at the examination or photographing, he or she shall not participate in the examination or photographing of the student. If the examination or photographing takes place based upon a court order, the Principal or designee shall request a copy of the order.

The Principal or designee may notify the parent/guardian of the fact of the examination or photographing session after it has occurred, but cannot otherwise disclose information about the occurrence.

**P. SKATEBOARDS, ROLLERBLADES, ETC.**

Skateboards, roller blades, laser pointers and squirt guns are prohibited on school grounds. Such items will be confiscated.

**Q. UNIFORM GRIEVANCE PROCEDURE**

The written report shall be filed with the School Board, which shall then render a decision in accordance with Section 3 of this policy. The Superintendent will keep the School Board informed of all complaints.

**3. Decision and Appeal**

After receipt of the Complaint Manager's report, the Superintendent shall render a written decision which shall be provided to the Complainant. If the Complainant is not satisfied with the decision, the Complainant may appeal it to the School Board by making a written request to the Complaint Manager.

Students are expected to obey and behave with respect to those in authority, including the Principal, teachers, bus drivers, custodians, lunch room workers, secretaries and teacher aides.

Acts of gross disobedience and misconduct by a student while enrolled in UJHS shall be the basis for detention, suspension, expulsion or other disciplinary action. Teachers, other certificated educational employees and other persons providing a related service for a student may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may remove students from a classroom for disruptive behavior.

The Superintendent, Assistant Superintendent, Principal, or Assistant Principal is authorized to impose the same disciplinary measures as teachers and may suspend students guilty of gross disobedience or misconduct from school, including all school functions.

### **C. DISCIPLINARY PROCEDURES**

#### **Suspension Procedures**

Before a student is suspended, school authorities will meet with the student to inform the student of the misconduct of which he or she is accused and will give the student an opportunity to respond to the charges.

Such a pre-suspension conference is not required and the student may be suspended immediately when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.

Any suspension shall be reported promptly to the student's parent(s)/guardian(s), who will receive a written notice of the suspension stating the reasons for the suspension, including any school rule that was violated, and a notice of their right to a review of the suspension. A copy of the notice shall be given to the School Board.

Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the School Board or a hearing officer appointed by the School Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the School Board or its hearing officer and may be represented by counsel at their expense. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate.

## **Expulsion Procedures**

If a student is recommended to be expelled, school administrators will send the student and his or her parent(s)/guardian(s) a written request to appear at a hearing on the student's proposed expulsion. The request shall be sent by registered or certified mail, return receipt requested, and shall state:

6. A request that the student or parent(s)/guardian(s) inform the District if the student will be represented by an attorney and, if so, the attorney's name.

Unless the student and parent(s)/guardian(s) indicate that they do not want a hearing or fail to appear at the designated time and place, the hearing will proceed. It shall be conducted by the School Board or a hearing officer appointed by the School Board. If a hearing officer is appointed, he or she shall report to the Board the evidence presented at the hearing and the Board shall take such final action as it finds appropriate.

During the expulsion hearing, the Board or its appointed hearing officer shall hear evidence concerning whether the student is guilty of the gross disobedience or misconduct as charged. The student and his or her parent(s)/guardian(s) may be represented by counsel at their expense, offer evidence, present witnesses, cross-examine witnesses who testify, and otherwise present reasons why the student should not be expelled. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.

## **D. DISCIPLINE OF SPECIAL EDUCATION STUDENTS**

The District shall comply with the provisions of the IDEA when disciplining students who receive special education. No special education student shall be expelled if the student's particular act of gross disobedience or misconduct is a manifestation of his/her disability. Students whose gross disobedience or misconduct is not a manifestation of his/her disability may be expelled from school, except that he or she shall continue to receive educational services as provided in the IDEA during the period of expulsion. A special education student may be suspended up to 10 days per school year, in the aggregate. During any additional period of suspension, the student shall continue to receive educational services in accordance with the IDEA.

A special education student who has exceeded or is expected to exceed 10 days of suspension may be temporarily excluded from school by court order or by order of a duly appointed State of Illinois hearing officer, if the District demonstrates that maintaining the student in his/her current placement is substantially likely to result in injury to the student or others.

A special education student who has carried a weapon to school or to a school function or who knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school or a school function may be removed from his or her current placement. Such a student shall be placed in an appropriate interim alternative educational setting for no more than 45 days in accordance with the IDEA.

# **VIII. PUPIL PERSONNEL SERVICES**

## **A. GUIDANCE AND COUNSELING SERVICES**

The District employs a school counselor to aid students in their academic, social, vocational and career development. Students are encouraged to use these services when seeking information or when problems occur. The counseling office issues periodic bulletins to inform students and parents of specific information such as ACT test dates, scholarships, etc. The Board of Education Policy Manual contains a complete description of these services.

## **B. HEALTH REQUIREMENTS AND SERVICES**

### **Physical Examinations, Immunizations and Exclusion of Students**

Physical examinations are required for children entering kindergarten, first grade, sixth grade and ninth grade, and for all students entering school in Illinois from another state. Physical examination forms are available in the UJHS office and from your local physician. Students who do not comply with this requirement by October 15 of the current school year will not be allowed to attend school.

Illinois requires all public school students to be immunized against measles, rubella, polio, diphtheria, pertussis, tetanus and other communicable diseases. No child will be permitted to enroll without proof of immunizations.

### **Eye Examinations**

Any student enrolling for the first time in a public, private or parochial school after January 1, 2008 must have an eye examination, to be recorded on forms prescribed by the Illinois Department of Public Health and the State Board of Education. Proof of having been examined by a physician licensed to practice medicine in all of its branches or by a licensed optometrist within the previous year must be presented before October 15. Parents/guardians who show an undue burden or a lack of access to a physician/optometrist may seek a waiver by contacting the District office.

Parents/guardians who object to any of the above health examinations and immunizations on religious grounds must provide the District with a signed statement detailing the grounds for their objection(s).

Exempting a student from health or eye examination does not exempt the student from participating in PE classes.

### **Hearing and Vision Screenings**

UJHS conducts hearing and vision screenings annually. These screenings are not a substitute for a complete hearing and vision evaluation by a doctor.

### **Illness or Injury During School**

When an accident occurs, students should see the Superintendent or Principal to fill out an incident report form.

### **Administering Medication**

Students should not take medication during school hours or school-related activities unless doing so is necessary for their health. When a student's licensed health care provider and parent/guardian believe it is absolutely necessary for a student to take medication during school hours, the parent/guardian must request that the school dispense the medication to their child under District procedures for dispensing medication.

Prescription and non-prescribed medication will not be administered until a "School Medication Authorization Form" is completed, including, if applicable, confirmation of the student's ability to self-administer medication for asthma and/or to use an epinephrine auto-injector (EpiPen®).

Parents/guardians are responsible to bring all medications to school and to pick up any unused medications.

Absent willful and wanton conduct, the District will incur no liability as a result of any injury or illness arising from a student's self-administration of medication or storage of medication by school personnel. All students 18 years old or older or their parent(s)/guardian(s) must indemnify and hold harmless the District, its employees and agents against claims arising out of a student's self-administration of medication including use of an EpiPen®, or storage of medication by school personnel. Nothing herein prohibits any school employee from providing emergency assistance to students, including administering medication.

## **C. STUDENT RECORDS**

### **Notification of Rights of Parents and Students**

Rules concerning student records at the District are based on requirements of the federal Family Educational Rights and Privacy Act (FERPA), the Illinois School Student Records Act (ISSRA), and on the School Board's Student Records Policy.

The term "school official" may for these purposes include an administrator, certified or support staff member (including health or medical staff and law enforcement unit personnel), school board member, or person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, therapist, or diagnostician), or a parent or student serving on a school-established disciplinary or grievance committee.
    - b. The District will disclose a student's education records without consent to a school in which the student seeks or intends to enroll, upon request by that school, subject to the right of the parents (or student, as applicable) upon notice of the proposed transfer to inspect and copy the records and to seek amendment of their contents using the procedure described above.

## **IX. EXTRACURRICULAR CODE OF CONDUCT**

This code establishes standards of conduct, expectations, and consequences governing all UJHS teams or organizations, upholds the integrity of UJHS, promotes positive citizenship among participants, and encourages a complete high school experience. Students are visible ambassadors of the District and community. This code supplements the standards of conduct generally applicable to students as set out in Part VII of this Handbook. Extracurricular activities include all athletic teams, clubs, organizations, musical activities, cheerleading, speech and other academic teams.

### **STUDENT ACTIVITIES**

All students are encouraged to participate in activities outside of the classroom. Students are required to meet prescribed scholastic eligibility standards in order to participate. Student activities currently scheduled at UJHS include:

**ATHLETICS** - Boys: baseball, basketball, track  
 Girls: volleyball, basketball, track

### **A. DANCE POLICY**

At various times during the school year social dances may be held at United Junior High. Regardless of the sponsorship, the following guidelines will be applied. These dances will be informal with casual dress that abides by the school dress code. The dances will be open to current UJH students in good standing. Students with continual discipline problems may not be allowed to attend any/all dances. There will be no king or queen contest at any of the dances. Once a student arrives, he or she will not be allowed to leave prior to the announced ending time unless a parent is notified.

### **B. SCHOLASTIC ELIGIBILITY**

Students must be passing all classes to be eligible. IESA by-laws state, "students who were grade ineligible with the last weekly grade check remain ineligible for all contest until the next weekly grade check is conducted." Example: Students who fail a class at the quarter will remain ineligible for all contest until the next eligibility check.

UJHS eligibility begins with each new quarter and the following guidelines apply:

1. An athlete who is ineligible during this weekly check will be warned and ineligible to participate in interscholastic contests the following week – (Monday – Saturday)
2. A student who is ineligible for two (2) consecutive weeks is ineligible to participate in interscholastic contests the following week.
3. A student who is ineligible for three (3) consecutive weeks is ineligible to practice and ineligible to participate in interscholastic contests the following week.

### **C. INTERSCHOLASTIC PHILOSOPHY**

UJHS adheres to the guidelines for interscholastic competition of the Illinois Elementary School Association (IESA), which distinguish between interscholastic activities and intramural activities. During intramural activities every child is assured equal "court time." In contrast, interscholastic activities carry no inherent right to receive playing time or position based solely on the virtue of team membership. Selection and playing time are afforded to those who, in the sole opinion of the coach, demonstrate the ability to contribute to the team or group's chances for a winning effort.

### **D. SPECIFIC EXPECTATIONS, OFFENSES AND ACTIONS**

1. This code is in effect on a year round basis, including during the summer.
2. Students must know and adhere to any training rules or standards of conduct established by their coach or sponsor.
3. Students must adhere to the highest standards of sportsmanship. Disciplinary action will be determined by the coach and/or administration for technical fouls or unsportsmanlike conduct.
4. Students must attend the afternoon session beginning with 5<sup>th</sup> period in order to participate in an extracurricular event that evening, unless an excuse other than personal illness is presented (for example a doctor, dentist, funeral, or court appointment). Friday afternoon attendance, by the beginning of 5<sup>th</sup> period, is required for Saturday events.
5. Students should not engage in activities which discredit themselves or the school, such as vandalism, theft, burglary, or conduct subject to criminal misdemeanor charges. A student who commits such misconduct may be excluded from extracurricular activities.
6. If a student is arrested and charged with a crime, the School Board may meet to consider whether to withdraw the privilege of participating in school-sponsored extracurricular activities or school-related activities.
7. Coaches will report any violation of the athletic code to the athletic director.
8. A student is not eligible to receive any awards for a season during which he or she was removed from the team by choice of the student, coach, or by reason of a penalty imposed under the athletic code.
9. Sunday practices and events are prohibited unless authorized by the School Board.
10. All practices will be cancelled on days when school is dismissed early due to inclement weather conditions.
11. A practice, contest or game may take place on the night of a day school is cancelled due to inclement weather, at the discretion of the administration.

- b. Is under the influence or has partaken of tobacco, alcohol, or a controlled substance.
  - c. Is reported by his/her parent/guardian as taking, possession, selling or distributing tobacco, alcohol or a controlled substance.
14. A six month or year-long suspension under the serious misconduct section of this code may be reduced by half if the participant enrolls in and successfully completes a rehabilitation program pre-approved by the administration. The expense for the program will be paid by the student.

**F. SERIOUS MISCONDUCT**

The following conduct is severe and will result in disciplinary action.

1. Possession, distribution, or influenced by tobacco or tobacco products.

A season begins the first day of practice and ends with the last contest or event. For a first offense, if less than the percentage of forfeiture is available in the current season or activity, the remainder will be applied in the next sport or activity in which the student has traditionally practiced.

The number of contest for a first violation in each sport will be 25% of the number of games scheduled for that school year. The suspension will be rounded down when the calculation does not determine an even number
